

## Technology connectivity certification

This certificate validates the

# Gigaset N510 IP PRO

to be certified with the Kwebbl Hosted PBX services.

This certification includes the operation of the official Gigaset pro handsets.

**Gigaset pro** is now entitled to label the above mentioned product with the 'Kwebbl Certified' emblem.

The product matrix and feature list can be found on the wiki of Gigaset pro: [wiki.gigasetpro.com](http://wiki.gigasetpro.com).
