

Technology connectivity certification

This certificate validates the

Gigaset N720 DM PRO and Gigaset N720 IP PRO

to be certified with the Kwebbl Hosted PBX services.

This certification includes the operation of the official Gigaset pro handsets.

Gigaset pro is now entitled to label the above mentioned product with the 'Kwebbl Certified' emblem.

The product matrix and feature list can be found on the wiki of Gigaset pro: wiki.gigasetpro.com.
