

About gnTel

We waren – voor zover we weten – de eerste in Nederland met cloud telefonie. Onze oprichter John Ouderling, oud directeur van KPN Research werkte eind jaren 90 met een klein team enthousiastelingen aan internet telefonie. Dit initiatief ontwikkelde zich door binnen 'TNO bedrijven'.

In 2004 werd besloten gnTel op te richten en werd John ondernemer. Sindsdien is het hard gegaan. Ondertussen hebben we duizenden klanten en meer dan 100 resellers, die goed getraind zijn om klanten te adviseren over bedrijfstelefonie.
