UCware

## About OpenScape Business

Built specifically for small and medium-sized business, OpenScape Business gives you full cutting-edge UC functionality in a single, affordable and manageable solution. OpenScape Business delivers voice and conference services, voicemail, web collaboration, messaging, mobility, a multi-media contact center and presence functionality, all in an easy-to-use and flexible system.

Whether you define your business by people, revenue or reach, you will find new levels of collaboration and productivity with Unify solutions.

OpenScape Business offers small and medium businesses a single unified solution for voice, presence, conferencing, contact center, messaging, and mobility. This gives you an easier path to move to the next level of communications, from voice to UC and from hybrid TDM to full IP. As standalone system up to 500 subscribers and in networked systems up to 2000 subscribers can be connected.

Experience a secure, reliable communications solution that grows at the pace of your business.
