

FAQ Nx70 - License: Activate the license

Upload the new License

In the Integrator web-interface go to **SETTINGS - System - Licensing - Licence - Browse**

Select the License file you received from Gigaset.

Click **Upload**

Your license is now enabled.

The screenshot shows the Gigaset web interface. The left sidebar is expanded to 'System' > 'Licensing'. The main content area shows the 'Licence' section with a table of items under licensing. The file 'license_request_589EC60E71C...' is listed with 14 KB size, but its status is not yet 'activated'.

Item under Licencing	Available Licences	Used Licences	Status
DECT Manager - Multi cell	4	0	Activation period. Days left: 35
Virtual Integrator	n/a	n/a	Activation period. Days left: 35
