

N870 IP PRO

The scalable DECT IP multicell system for seamless mobile communication in SMB and beyond. Enabling freedom of movement.

The image shows a woman in a grey dress and high heels walking through a modern office with glass partitions. She is holding a mobile phone to her ear. In the foreground, a white Gigaset N870 IP PRO base station is visible, featuring the brand name 'Gigaset' on its front panel. The background is slightly blurred, emphasizing the woman and the device.
