Collab

About Collab

OnePBX is a powerful Multi-tenant SIP based IP PBX solution that provides flexibility and easy browser based management of all tenants' specific configurations.

- 100% SIP based IP-PBX Solution.
- Multi-tenant: Supports multiple clients and sites.
- Integrates fixed and mobile networks, with soft and physical phones.
- Compatible with legacy digital PBXs (through SIP trunk).
- Unified web-based interface for provisioning and reporting.
- Intelligent routing of inbound calls (hunting groups, voice mail, etc).
- Customizable dial plans for outbound calls.
- Mobile Extensions on iPhone, iPad and Android (OnePBX Mobile).

See below for a list of supported features when using Gigaset pro IP Devices with the [Collab OnePBX](#) Hosted Platform (Version 2.2.2.7)
