

EHS Adapter

Introduction

- For Gigaset P710, P810(B), P82X, P85X(B)W
- Call acceptance on headset
- Call termination at the headset
- Supports headsets from Jabra, Epos and Sennheiser
- 70 x 41 x 23 mm
- 32 g
- -5°C bis 45°C
- Part number: S30853-H4106-R101

- The adapter supports the proprietary protocols to enable call acceptance directly at the headset. As soon as the telephone receives a call, the original ring tone of the incoming call is signaled in the headset and the call can be accepted and also ended again at the headset.
- Phone side 6p6c (adapter cables included)
- Headset side 8p8c + 3.5mm jack (adapter cable supplied by headset vendor)
- Humidity up to 95% (non-condensing)
