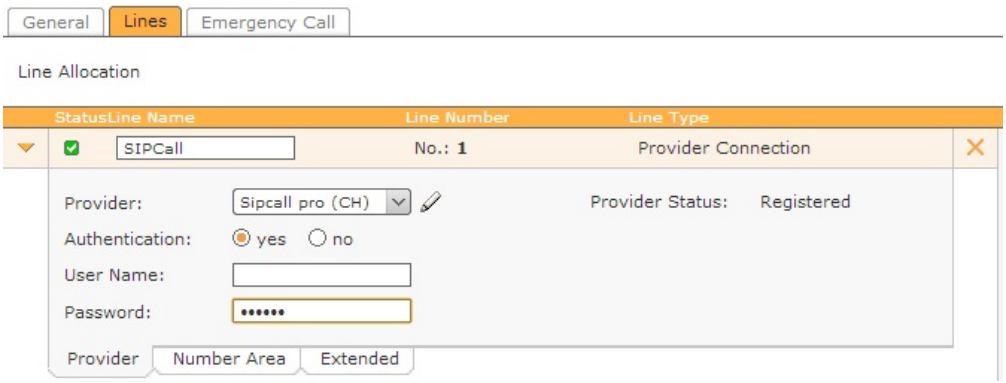
Gigaset T300/T500 settings

In the Gigaset PBX go to "Configuration" - "Lines" - "Lines" and click on: **New Line**

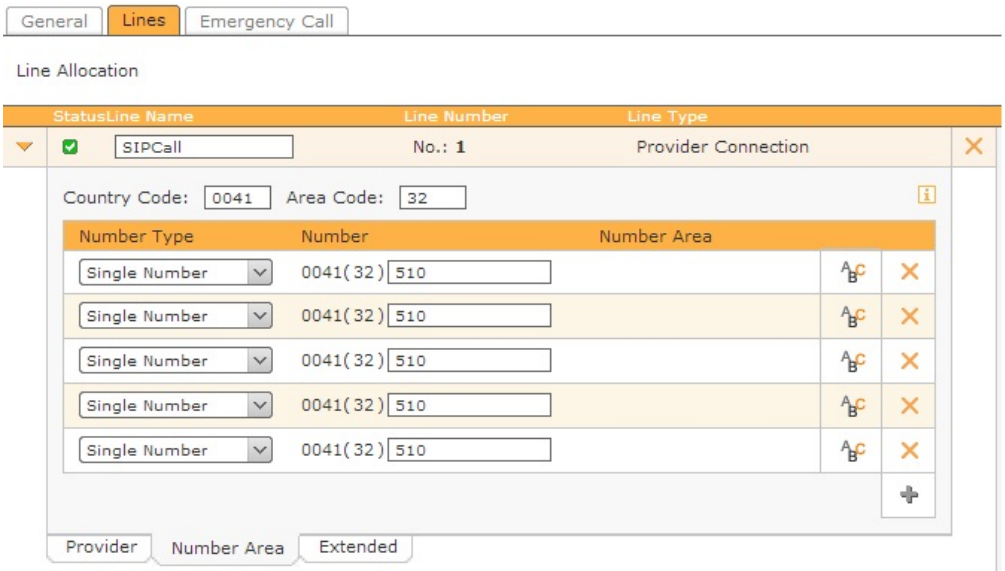
Provider settings:

Give the Line an unique name, select the provider **sipcall pro (CH)** in the pull-down list, insert the Registration user name and Password.



Number Area settings:

Just add the telephone numbers for this SIP trunk. The Country Code and Area Code can be filled in, if different than the default setting.



Extended settings:

No changes are needed.
