

Maxwell 10 Reboot

Introduction

If needed, there are different options to reboot the Maxwell 10.

Android pull down menu

Idle screen, right top corner, pull down the menu.

Click on the **REBOOT** icon.

Web-interface

Open the web-interface and go to: **Settings - System - Reboot and Reset**

Here you have 2 options.

1. Reboot now
2. Reboot daily at the time

▶ Network and Connections

▶ Telephony

▶ Services

▶ Function Keys

▶ **System**
