

# Alcatel Lucent Open SIP OXE R10

## Alcatel Lucent OXE R10.1.1

### About Alcatel Lucent

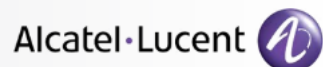

We make communications and networking technologies affordable, accessible and sustainable. Our cost-effective solutions help organizations embrace new uses and models by enabling multimedia conversations across any device, supported by an Application Fluent Network, from the office to the cloud.

Over 500,000 customers rely on our solutions to increase customer satisfaction, employee productivity and operational efficiency.

We have a history of proven technology and experience. We leverage our global team of technology experts, service professionals, and partner ecosystem to meet the unique needs of small business to international companies with tailored offers that address the requirements of various market segments and industries.

See below for a list with supported features when using the Gigaset N510IP PRO or N720 IP PRO as a DECT cordless system behind an Alcatel Lucent Oxe Open SIP PBX system. All tests were performed by the Gigaset pro support team.
