Vodia

About Vodia

Vodia Networks develops and provides leading-edge software for enterprise communications solutions. Since 2006, they have empowered thousands of businesses worldwide by providing the latest cloud and onpremise IP PBX technology. The company's CEO, Dr. Christian Stredicke, is an industry veteran and a successful entrepreneur.

See below for a list with supported features when using the Gigaset PRO IP Devices. $\label{eq:constraint} % \begin{subarray}{l} \end{subarray} % \begin{suba$

Testresults provided by Gigaset, tested with Vodia release 63.0

* = Platform feature

Feature	Maxwell Basic/2/3 /4	N870 /N670 Multi cell
